I have a great smile, cute dimples, a passion for blatancy and silliness. Love to negotiate, take apart toasters, nap with cats, make music, talk. I'M LOOKING FOR FUN AND FROLIC. Leo lesbian turning 33, mature beyond my years, yet my inner child rules. I'm short, well-rounded (physically and mentally) and enjoy the company of lesbians of like size. I love: nature, dogs, snorkeling (in Hawaii of course), backpacking, rafting, amusement rides, cartoons, laughing, Star Trek the Next Generation, Murphy Brown, Whoopi Goldberg, Rosanne Barr (I refuse to call her Arnold) and PeeWee Herman. I think politics are important, but judging people is not. I celebrate diversity and am so out I don't even have a closet in my house. There's lots more, but I'll leave something for you to discover. Interested? Respond with your favorite comic strip, your all time favorite movie, and tell me why you're responding to a Just Friends ad, plus some creative data to Blind Box 884.
