OSMYN is
the Oregon Sexual Minority Youth Network

...the only organization in Oregon that is run by, for and with lesbigay youth. OSMYN seeks to expose individuals about the existence of gay, lesbian and bisexual youth. Not only are we alive, but we will not permit the restrictions society has imposed upon and used to threaten the young lesbigay community. In a world that seeks to extinguish life, OSMYN sustains existence. Where there is division, we unite, and where there is differentiation, we diversify. OSMYN is a collective of various individuals and organizations that are committed to the well-being of lesbigay youth.
