Do You Experience Symptoms Of
PANIC?

☐ Sudden Fear ☐ Shortness of Breath

☐ Dizziness or Fainting ☐ Shakiness, Sweating

☐ Feelings of Unreality ☐ Chest Pains-Pounding Heart

Pacific Northwest Clinical Research Center is now studying a new investigational medication that may improve the symptoms of panic disorder. Participation is free to those who qualify. Individuals experiencing alcohol or drug abuse or poorly controlled medical problems cannot be accepted for this research.

If you are interested in participating in this research, please call our 24-hour message service.
