Nora Isacson
Portland's Alternative Realtor

I have chosen to take a more human approach as a Realtor. I build my business on a referral basis and firmly believe that the satisfaction of my client is far more important than my own financial gain. I communicate clearly and openly, and I'm always honest with my clients. I'll gladly climb a nearby tree to check on a roof or get a bit dirty investigating a crawlspace or an attic. I work mainly in Portland's popular inner Southeast and Northeast neighborhoods and specialize in older homes with character. Whether you're thinking of buying or selling, *please do give me a call.*
