MISCELLANY

*They say of me, and so they should,
It's doubtful if I come to good.*

— Dorothy Parker

Portland Men's Reading Society

This group is now forming for Portland's livelier illuminati who are "educated beyond their intelligence." We will meet monthly at members' homes to discuss gay-oriented literature (some good, some dicey) and wow each other with the depth of our commentary, criticism, and good-natured *bon mots*. Join us in a non-strident, social setting for refreshments and cranial stimulation, and discover that not all the brilliant and attractive men are found at the bars. *Highbrows shunned.*
