I'll
consider

of you as
a couple,
even if
the IRS
won't.

Lesbian & gay couples face special
challenges with their tax returns.

We're not allowed the same advantages reserved for married couples. You need a knowledgeable, experienced tax professional who will take your *whole* story into consideration and look out for your best interest.

Would you like to find a missing person?

BRIAN P. FAIRCHILD & ASSOCIATES CAN HELP!

We are licensed private investigators who specialize in finding missing persons, and we'd be honored to find that former lover, old friend, teacher, workmate, army buddy, or anyone else you've been hankering to get back in touch with.

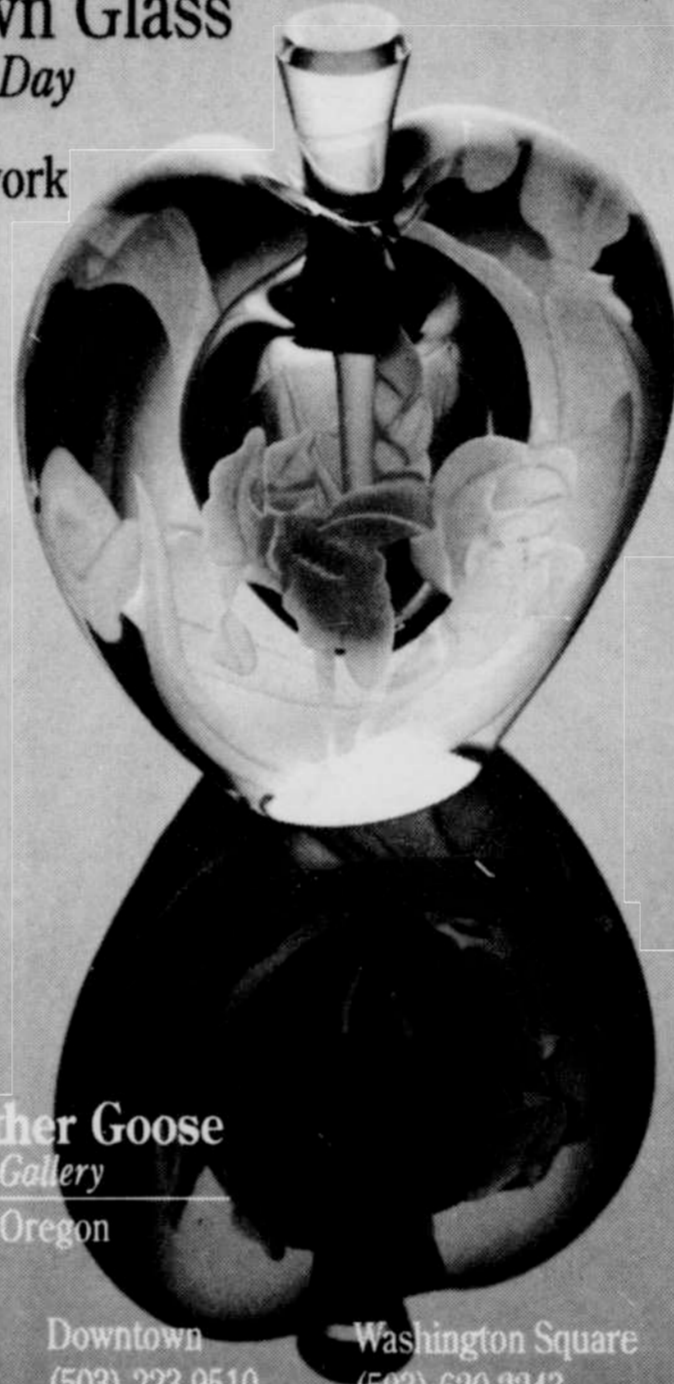

Because we use the most powerful investigative databases and the most current search techniques, our charge to you is a **flat rate of just \$200.**

With Valentine's Day on the horizon, wouldn't this be a perfect time to get back in touch with that certain someone?
