IT'S A PROVEN IDEA.

Resource guides for gay and lesbian communities have been published for years in
cities throughout the United States. They are used weekly, if not daily, by lesbian
and gay consumers who are particular about where they do business.

LOOK AT THE NUMBERS.

The **just out pocketbook** is an easy-to-read, easy-to-use guide at the fingertips
of more than 40,000 consumers. **pocketbook '95**, with more than 193 paid
advertisers on 76 pages, contained the largest catalogue of gay and lesbian community
resources ever compiled in Oregon.

THE CONSUMER DOESN'T PAY.

The **pocketbook** is distributed free, throughout the year through businesses,
community groups, and special events.

A NAME YOU CAN TRUST.

Published by **just out**, Oregon's gay and lesbian newsmagazine, the **pocketbook**
is backed by the best. You can rely on high standards of graphic quality and
professional presentation.

WE WALK OUR TALK.

Your ad will reach consumers who have consistently demonstrated loyalty to
merchants and professionals who advertise in gay and lesbian publications.

OK, MONEY TALKS.

Lesbians and gay men have a higher than average disposable income. A national
survey conducted by Simmons Marketing Research Inc. found that the average
annual income in a gay household is \$55,430. Over 250,000 gay men and lesbians
reside in Oregon.

OUR TIMETABLE.

Save 20 percent when ordering by the early bird deadline of March 18. Pay our
regular low price when you order by April 15. Orders placed after April 15 are subject
to procrastination fees.
