

# IT LOVES CAMPING, THE BEACH AND LONG-TERM COMMITMENT. TOO BAD IT'S ONLY A CAR.

**The partner who gives its all—without any compromises from you**

It loves all the things you do. That's why it's so easy to build a long-term relationship with the new Subaru Outback, the world's first sport utility wagon. The All-Wheel Drive Subaru Outback gives you the go-anywhere freedom of a 4X4 with the civilized handling and smart styling of a passenger car. Compromise? Forget it. Instead of giving you a little of each, the Subaru Outback lets you drive the best of both. And whether you choose the 135-hp 2.2-liter 16-valve boxer engine, or the more powerful

155-hp DOHC 2.5-liter boxer, the Subaru

Outback never lets you forget that getting there is part of the action.

**Safety first**

With the Subaru Outback, you never have to prepare for sudden changes in road surfaces. That's because the Subaru All-Wheel Driving system doesn't have to be switched on—it's always working for you, monitoring the road and weather conditions and transferring power to the wheels that need it most. And when the going gets rough, the heavy-duty 4-wheel independent suspension and tough all-season tires offer the ground clearance you'll

need to get over the bumps. And you'll find the Subaru Outback 4-wheel disc brakes with 4-channel ABS provide plenty of stopping power.

**Comfort too**

The Subaru Outback has room to haul it all, whether you've got camping gear for a two-week trek or are just taking the winter wardrobe into the dry cleaners. There's more than 73 cubic feet of cargo room, and best of all, no step ladder to

climb to stow stuff on the standard roof rack. And when you and your friends settle in for the trip, you'll enjoy the comfortable seating and amenities of an ergonomically designed passenger car.
