

1997 PRIDE PARADE, RALLY & FESTIVAL SECURITY

Pride Northwest, Inc. wants you to have a safe, sane and fun 1997 Pride Parade, Rally and Festival. To help make this happen our Security Ambassadors will be patrolling all sanctioned events. All Security Ambassadors will be wearing highly visible gold shirts. It is not the policy of these Security Ambassadors to "police" these events, however they will be working closely with the Portland Police Bureau to insure the safety of all participants and vendors. Security Ambassadors will monitor the crowds for inappropriate, offensive and illegal behavior. If necessary, they will call the police for assistance. Please remember that these individuals are volunteers working for your benefit and security. Their purpose is to maintain a peaceful, enjoyable atmosphere for everybody.
