Pride Northwest, Inc. Board Members will be carrying donation buckets during Pride Weekend. This is your opportunity to contribute your part of our \$36,000 annual expenses.

THANKS DAVID!

Pride Northwest, Inc. would like to thank David Sanchez (*pictured at left*), founding member and 1997 chairperson, for his dedication and vision. With his resignation from the board, and job transfer to New York, David will be missed by the board and many in the community. *We love you David!*

With the sad news of David leaving, comes good news in the announcement that Phil Marsh, another founding member and talented community activist, will be returning to the Pride Northwest, Inc. Board of Directors.
