

After the performance, I'll slip into something more comfortable. Then, you and I will get together.

Portland Center Stage invites members of Portland's Gay and Lesbian community to join us for a special cultural and social opportunity. The Gala Series is a Tuesday night subscription to five plays to Center Stage's 97-98 season. Following each performance will be a post-play reception at various restaurants such as Bima, Paddy's and the Backstage Cafe.
