NOW OPEN!

Ever just want real estate to be about professionals instead of salespeople?

Now it is.

Something very big has happened. When you least expected it – and probably most needed it – a new real estate firm landed smack dab in the middle of our city. When RE/MAX Signature Properties touched down in metropolitan Portland, it did so with much thought, careful planning and a keen understanding of what it is that most people – probably all people – want when they need to buy or sell a home. But you tell us if we're right...

We believe that you want honesty, true and skilled representation, respectability, integrity, and a solid commitment to your needs. You want a Realtor® that you might even want to call "friend." We want that too.

And so we welcome you to come visit our new home – our offices located at 2717 NE Broadway – and get to know us. Ask us the questions you have always wanted to ask, quiz us on the real estate world, and share your past experiences with us. We promise you (and promises still mean something to us!) that you'll feel the difference: an integrity that's truly tangible. Perhaps it's because RE/MAX lists and sells more real estate than any other real estate network in the world.* Or perhaps it comes from loving what we do. Either way, you'll feel it. So stop by and say "hi." And if you need any real estate advice, we'd love to help. Because when it's all said and done, we don't just want your business. We want your trust. And we'll earn it one home at a time.
