

PARADE ROUTE

The 1998 Pride Parade formation area is at Northwest 8th and Davis on the North Park blocks. The parade will go west on N.W. Davis to N.W. 13th, then turn left on 13th and cross West Burnside to S.W. Stark. It will proceed east on Stark to S.W. Broadway where it will turn right and follow Broadway, through the heart of downtown Portland, to S.W. Salmon. At Salmon the route goes left continuing to Naito Parkway where the procession again turns left and follows Waterfront Park to the festival site, just south of the Burnside Bridge near Saturday Market.
