

GUIDELINES

The Pride Parade and Festival celebrates the diversity of our lives and the common bonds of our community. In this spirit, it is our goal to sponsor activities that build community while respecting our differences. Through mutual support and increased awareness, we can refuse to let ourselves be divided along the lines of discrimination common in our society-at-large. Pride Northwest, Inc. will be alert for behaviors which oppress, stereotype &/or demean others based on gender, race, age, physical differences, mental capabilities, religious convictions, political beliefs, sexual orientation or differing economic resources/means.
