**Alternative:** Straying from what is considered normal: different; the choice between two mutually exclusive possibilities. To say, "I am alternative," is to say, "I am leading a different lifestyle from mainstream society: honoring diversity, building community and creating a lifestyle that promotes the health and well-being of our planet."

Portland's Alternative Realtors represent an appealing alternative for those individuals who prefer not to work with a conventional salesperson. We support our local community, organic agriculture, all recycling efforts, and networking to create a healthier environment.

It is our mission to bring integrity and trust into the real estate profession while creating lifelong relationships with the people in our community.

*We are Portland's Alternative Realtors.*
