Alternative: Straying from what is considered normal: different; the choice between two mutually exclusive possibilities. To say, "I am alternative," is to say, "I am leading a different lifestyle from mainstream society: honoring diversity, building community and creating a lifestyle that promotes the health and well-being of our planet."

Portland's Alternative Realtors represent an appealing alternative for those individuals who prefer not to work with a conventional salesperson. We support our local community, organic agriculture, all recycling efforts, and networking to create a healthier environment.

It is our mission to bring integrity and trust into the real estate profession while creating lifelong relationships with the people in our community.

We are Portland's Alternative Realtors.
