## HELP WANTED

### Oregon Health Division Center for Disease Prevention & Epidemiology Principle Executive Manager E HIV/STD/TB Program Manager

The Oregon Health Division, Center for Disease Prevention & Epidemiology is recruiting for a Principle Executive Manager E to assist the Program Director/Medical Epidemiologist in managing the HIV/STD/TB Program. This is a permanent position located in Portland. Occasional travel, both in and out of state is required. This position supervises personnel, both direct and indirect through subordinate section managers, implements cross section coordination, and is responsible for the integration of activities into a single programmatic strategy. The position supervises preparation of all program grants and contracts, assists the Program Director in setting program objectives, and developing administrative rule

changes and revisions. This position will also represent the program at statewide conferences, public forums and on community advisory groups.

Applicants must have three years of management experience in a public or private organization which included responsibility for each of the following: A) Development of program rules and policies. B) Development of long and short range goals and plans. C) Program evaluation and D) Budget preparation. Graduate level courses in management, experience in a public health program, and behavioral sciences knowledge and experience.

For application information, call (503) 731-4005 or TTD (503) 731-4031 between the hours of 8:00 AM and noon.
