## THE SEEVUE *Experience the unusual*

### SURPRISE, SURPRISE!

It was Anna's 40th birthday and Penny wanted to give her something she would never forget. She decided to surprise the love of her life by getting Anna's friends to join them at the See Vue Motel on the central Oregon Coast for a special birthday weekend. Penny booked the entire motel for a very reasonable price.

Penny led Anna to believe they were going to the See Vue for a reflective time away. Anna was surprised and delighted when her friends greeted them upon their arrival with chilled sparkling cider and rainbow-colored helium balloons. She had been out of touch with some of them for far too long. The weekend was full of love, memories and laughter. It was a great way to celebrate and the sweetest gift Penny could have given her.
