THE SEE VUE

Experience the unusual

Charles and Andrew could not agree. Which themed room should they reserve at the See Vue Oceanfront Inn for their 5 year anniversary? They had their first overnight date in the Santa Fe room, so Charles wanted to stay there. They honeymooned after their commitment ceremony in the Cottage, so Andrew wanted to stay there. They had great make-up sex in the Study after Spring Relationship Strain sent Andrew cruising Stark St. for a spring fling. Neither wanted to remember that. They finally settled on the Mountain Shores room, because that was all that was available when they finally called for their reservation.
