A DIFFERENT KIND of COMPANY. A DIFFERENT KIND of CAR.

When an ordinary Realtor simply won't do...

Nora - broker, Michele - buyers agent, Steve - listing agent

To say, "We are alternative," is to say, "We are leading a different lifestyle from mainstream society: honoring diversity, building community and creating a lifestyle that promotes the health and well-being of our planet." We support our local community, organic agriculture, all recycling efforts, and networking to create a healthier environment.

Portland's Alternative Realtors represent an appealing alternative for those individuals who prefer not to work with a conventional salesperson, *and* working as a team we are able to serve you better than an individual Realtor ever could.

It is our mission to bring integrity and trust into the real estate profession while creating lifelong relationships with the people in our community.

We are Portland's Alternative Realtors.
