REAL ESTATE

Why I DON'T Need a Realtor

- Realtors just don't listen
- Everything's on the Internet
- I already have financing
- I don't want to be pressured

WRONG. Without a great Realtor,
buyers are always a step behind.

Put down the Sunday paper and stop
driving in circles! Let a unique, service-
oriented Realtor—and real person!—
guide you through the buying process
and into a home you'll truly love.

I'll show you any property on or off the
Internet, prescreen homes to your tastes,
keep you current on all new possibilities,
allow you to make informed choices, and
negotiate the best deal on the best
house you've ever imagined. In short, I
make buying a new home a clear, no-
pressure experience—at no cost to you.
So, relax!

Call today, and leave the details to me.
