## The Bike Gallery's Midsummer Night City Bike Tour

Wild and wonderful things are known to happen on a Midsummer Night. Hop on your bicycle and join your neighbors for Portland's most amazing Midsummer Night ever. Join us for a non-competitive bike ride around Portland in the middle of the year's shortest night, under a full moon.

There are three routes--one just right for you and your family. Everyone starts and finishes at The Rose Quarter. From there you have a choice of 14, 20 and 33 mile loops. There will be support all along the way making certain it is a fun and safe ride.

We start things off with a party before the ride begins and then welcome you back to the Rose Quarter with breakfast when you are done biking.

The Bike Gallery's Midsummer Night City Bike Tour is produced by the same folks who bring you Providence Bridge Pedal, so you know it will be fun.
