“Had it not been for Elise and her knowledge, patience and persistence, we would still be in a home much too small, dreaming of owning our own home. Our thanks again Elise.” – W.M.

*“From strudels to noodles, working’s a dream in my newly remodeled kitchen... I needed more room to add cooking classes to my catering business but I dreaded the thought of refinancing to do it. Luckily, I was referred to Christine. She came to our house with all the paperwork, smoothed out the bumps with solutions and made the whole refinancing process genuinely friendly. Bon Appetite!”*
