LOOKING FOR THOSE AWESOME PRIDE 2001 T-SHIRTS?

Last year we made a decision not to produce Pride T-shirts and many of you let us know that Pride wasn't the same without them. So this year our incredible web designer created a great logo and Rex at Rainbows used it to make some extremely cool T-shirts. To purchase one of these beauties just look for the Rainbows booth during the Pride Festival, or visit Rainbows in downtown Portland at 1136 SW Alder!
