"It all starts with coffee..."

The key to finding the right house or successfully marketing your home is finding the right Realtor. So, how do you find a Realtor who is attentive to your needs and offers honest, expert advice? A cup of coffee perhaps?

Why I DON'T Need a Realtor

- Realtors just don't listen
- Everything's on the Internet
- I already have financing
- I don't want to be pressured

WRONG. Without a great Realtor, buyers are always a step behind.

Put down the Sunday paper and stop driving in circles! Let a unique, service-oriented Realtor—and real person!—guide you through the buying process and into a home you'll truly love.

I'll show you any property on or off the Internet, prescreen homes to your tastes, keep you current on all new possibilities, allow you to make informed choices, and negotiate the best deal on the best house you've ever imagined. In short, I make buying a new home a clear, no-pressure experience—at no cost to you. So, relax!

Call today, and leave the details to me. Your life is busy. My expertise is real estate.

Sometimes it's best to say nothing.

Once upon a time...

...there was a Realtor who placed his clients' needs and wishes above all others. He treated his clients fairly and honestly. His advanced marketing skills and "native son" knowledge enabled his clients to sell their humble abode or buy the castle of their dreams.
