There's a new way  
to save for college.

(In case that  
athletic scholarship  
doesn't work out.)

Saving for college has never  
been more important. And,  
thanks to the Waddell & Reed  
InvestEd Plan, it's just gotten  
a little easier.

With InvestEd, you  
can invest as little as  
\$25 per month, and as  
much as \$177,000\*, on a tax-  
deferred basis. Then, beginning  
in 2002, when your investment  
is used for qualified higher  
education expenses, it can be  
withdrawn federal income tax-  
free. Investing free of federal  
income taxes helps to maximize  
the growth of your investment.

You can use InvestEd to fund  
post-secondary education for  
anyone — your kids, grandkids,  
nieces, nephews, friends, even  
yourself. And, regardless  
of the beneficiary, as  
account owner, you  
maintain control over  
the investment.

What's more, you'll be utilizing  
Waddell & Reed's acclaimed  
investment management team  
and will receive personal advice  
and guidance from a Waddell &  
Reed financial advisor.

\*\$177,000 is the maximum account  
balance per beneficiary in 2001-2002
