

**YOU'RE In
tHe FIGHT to LIVE**

If you are HIV positive and have had treatment with anti-HIV drugs, including protease inhibitor(s), you may qualify to participate in a clinical research study. This study will test the safety and effectiveness of an investigational regimen including marketed drugs used to treat HIV. You will receive medications and medical evaluations related to the study during your participation.

Call The Research & Education Group at 503-229-8428 or 1-800-875-8428
