

There's a **NEW** way  
to save for college.

(Just in case  
there isn't a buried  
treasure down there.)

Saving for college has never been more important. And, thanks to the Waddell & Reed InvestEd Plan, it's just gotten a little easier.

With InvestEd, you can invest as little as \$25 per month, and as much as \$177,000\*, on a tax-deferred basis. Then, beginning in 2002, when your investment is used for qualified higher education expenses, it can be withdrawn federal income tax-free. Investing free of federal income taxes helps to maximize the growth of your investment.

**InvestEd**

You can use InvestEd to fund post-secondary education for anyone – your kids, grandkids, nieces, nephews, friends, even yourself. And, regardless of the beneficiary, as account owner, you maintain control over the investment.

What's more, you'll be utilizing Waddell & Reed's acclaimed investment management team and will receive personal advice and guidance from a Waddell & Reed financial advisor.

\*\$177,000 is the maximum account balance per beneficiary in 2001-2002
