"Thanks for clearing the air at work, Oregon."

I can remember days where I could see the smoke in my office hanging near the ceiling tiles. But with the Oregon Smokefree Workplace Law, it's a thing of the past. No more dirty ashtrays. No more butts in the sink. And no more secondhand smoke.

Because now smoking doesn't work in Oregon. And I'm breathing a lot easier.

If you've got questions, please contact us:

Information About The Law
