

Whether it's a holiday dinner party, a gift to a friend or a colleague, or that New Years Eve bash, "Naked" wines will be thoughtful and appreciated.

Made from 100% organic and biodynamic grapes, Cooper Mountain Vineyards' "Naked" wines are free of chemical pesticides and fertilizers. Our Pinot Noir, Pinot Gris and Chardonnay's are made from clean, unadulterated fruit. Make sure your wines are "Naked" this year and enjoy an organic holiday season.

## SEDARIS *Two Plays... One night* CAPOTE

### THE SANTALAND DIARIES

By David Sedaris

Irreverent, saucy and original, Sedaris's hilarious *Santaland Diaries* recounts his adventures as one of Santa's elves during the madness that is Christmas season at Macy's in New York. *The spicy side of our holiday offering...*

### A CHRISTMAS MEMORY

By Truman Capote

...And the sweet half is Capote's classic reminiscence of his holiday rituals with his older cousin Sook. In her simple manner, unconventional gift-giving and genuine joy, Sook embodies the true spirit of the holiday. Beautifully written, tender and deeply affecting.
