

Do you suffer from HIV-RELATED NEUROPATHY?

If you are HIV-positive and suffer from pain, burning, and tingling in your feet, you may qualify for a research study to test an investigational medication for the pain from HIV-Associated Neuropathy. Study medication will be provided at no cost.

Out In the Northwest

Same-Sex Affairs

Constructing and Controlling
Homosexuality in the Pacific Northwest
By Peter Boag

"Boag demonstrates his judiciousness, his care, with an impressive set of largely overlooked and underutilized sources. And those sources reveal remarkable tales. There is verve, an excitement, in both the ordinariness of everyday life and the extraordinary circumstances of scandal.... A provocative study."

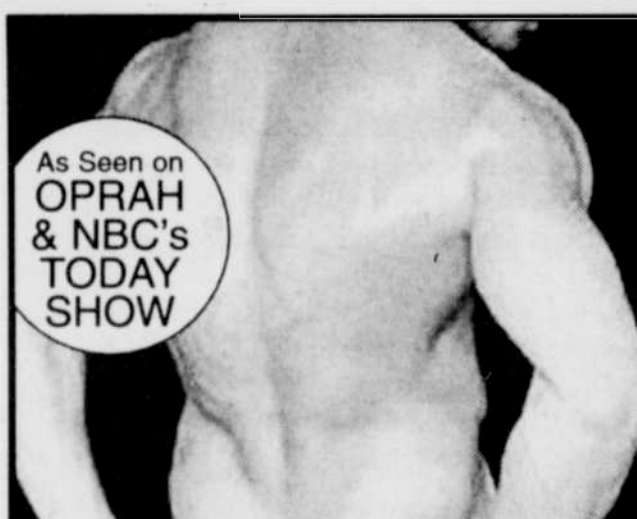

—JOHN HOWARD, author of
Men Like That: A Southern Queer History

"Boag...uses evidence from the region to refine understandings of the practice and significance of homosexuality at the national level. *Same-Sex Affairs* makes important contributions to the history of both the western United States and modern American sexuality."

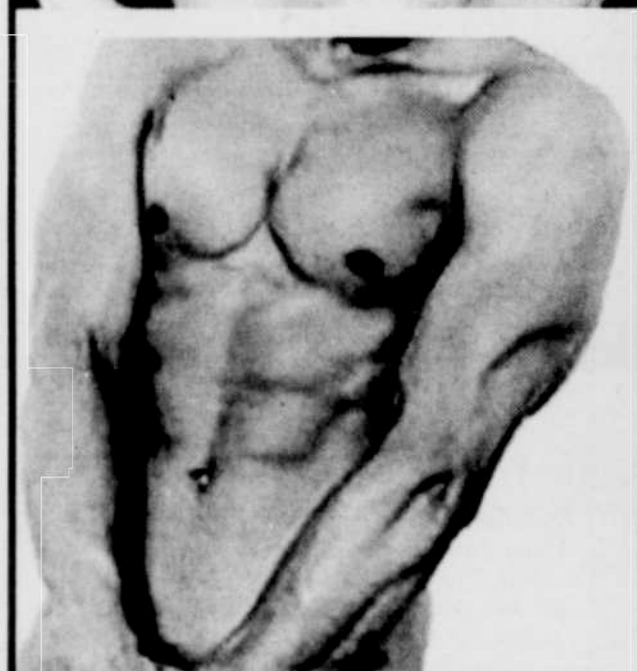

—JOHN FINDLAY, author of *Magic Lands*

\$24.95 paperback, \$60.00 hardcover
