We're looking for men and women diagnosed with Bipolar I Disorder.

Volunteers at least 18 years of age are needed to participate in a clinical research study testing an investigational use of a marketed drug for the treatment of Bipolar Disorder, also known as Manic Depression. Patients suffering from Bipolar Disorder must be currently experiencing a major depressive episode. All necessary office visits, medical evaluations, and study medications will be provided at no cost to qualified patients. For more information about this study, please contact:

OCCI • 2230 NW Pettygrove St., Suite 120 • Portland, OR 97210 • 503.276.6224
