CANDLELIGHT SERVICES at 11PM

Reverend Glenna Shepherd preaching

Metropolitan Community Church of Portland • 2400 NE Broadway • www.mccportland.com • Sunday Worship - 9am & 11am

**Crystal is destroying
our community.**

Crystal Meth is slowly eating away at gay/bi men here in Portland. Using crystal meth makes you 3 times more likely to become infected with HIV, Syphilis and other STD's. You'll lose your teeth, your job, your health and eventually, your life.

Think twice before you start the party.

Brought to you by DigiGUYS and Pink Link, programs of Cascade AIDS Project.
