

*Support Groups Available  
For Women who Partner with Women*

The Hambleton Project and the Susan G. Komen Foundation have collaborated to provide these free resources to our community:

- ☒ Bi-weekly support group for lesbians/bisexual women with cancer and their partners/caregivers (ongoing)
- ☒ 8-week bereavement group for lesbians/bisexual women who have lost a loved one (next session begins 3/4/04)

These groups are currently held in the Portland area, and will soon be available in the Salem area.

For specific meeting times, locations, or for more information, call the Hambleton Project at 503.335.6591

**WHEN WE LAST SAW STEVEN, HE WAS GETTING TESTED FOR SYPHILIS.**

YOU TESTED POSITIVE, BUT AUNTIE BIOTIC WILL CURE IT.      YOU MEAN ANTIBIOTICS?

NO, HONEY, HE MEANS ME! I'M AUNTIE BIOTIC! AND I HATE SYPHILIS!

YOUR DAYS ARE OVER, YOU NASTY LITTLE SORE!

WOW... YOU JUST KILLED A SYPHILIS SORE WITH A GUCCI PURSE.      HEY, I'M HIGH CLASS, HONEY.

WAP! WAP! WAP!

Syphilis is spread by "skin-to-skin" contact, through anal, vaginal AND oral sex. Many people don't notice the symptoms or know they have syphilis. The initial sore is painless. The good news is syphilis is easily cured.
