

**BY THE TIME WE MENTION PRICE WE'RE OFTEN GREETED WITH BLANK, FARAWAY STARES.**

Not that we don't understand the whole relaxation thing, but minutes into a private test soak, customers seem to forget the honesty and professionalism that's become the foundation of our 25 years in business. And our written energy use guarantee. And that HotSpring spas are in more homes than any other brand. By then, they're so deep in relaxation, we've pretty much learned to keep quiet.

**Watch naked animals go wild in a really cool place.**

It's time for the Grand Opening Party at Rose City Veterinary Hospital! There probably won't be exotic dancing but there will be naked animals and a fun party in the coolest pet hospital you have ever seen! Portland's oldest pet hospital has been beautifully re-modeled by WPH Architecture from Portland. With its exciting lobby, enclosed courtyard, TV room for the kids and luxury suites for the pets it's designed to pamper you and your pets to the max. So Dr. Quirk and Dr. Kochis invite you to put on at least a little of your finery and help us celebrate our new space.
