Financing That Floats!

"After talking with a couple of local lenders, we were very frustrated with the reception we received on our Chapter 13. We'd met Christine at the *Pride Festival* and decided to give her a call. Unlike the others, **she worked with us to improve our credit file** and then came through with financing where others told us it couldn't be done.

Today we live in a 1246 sq. ft. ranch with 2 back yards and 3 corgis. We're very thankful to Christine and know that **she is our lender for life.**" - Mike, Bruce & our hot tubbing corgis
