REAL ESTATE

"Life changes"

A life change brought John and Mike to Portland over 10 years ago. Donald represented them when they purchased their first home in Portland. When they decided to add rental property to their investment portfolio, they called Donald to represent them again. When they chose to downsize, they called Donald to develop a successful marketing strategy and help them find the ideal replacement property. Life changes, and Donald is here to offer sound advice and skillfully represent your interests.
