Drunk on Summer

Mixers bring community together

Portland's gay, lesbian, bi and trans community found ways to wring the last bit of fun out of long summer days. Spot yourself and your friends at various events around town that appealed to so many in our diverse community.

Whether you shook a tail feather during Gay Skate's Hokey-Pokey at Oaks Park, cheered on winners at the awards ceremony and picnic for the Rose City Softball Association at Columbia Park or competed for fabulous prizes at Q Center's monthly bingo gathering, you lapped up the best the season had to offer. **JO**
