Picture This! has gathered together six excellent short films about men who work in the oldest profession. At night, a world comes to life in the shadows of streetlamps, in the stalls of public restrooms, in the apartments of the well-to-do. This is a world most guys only dream about. But the world of the hustler is very real, and you will experience it yourself in these short films where hustlers fall in love, service their clients, and keep their secrets at all costs.

Totally rocking. Another Gay Movie takes us on an ass-tacular journey as four adorable gay teens do their best to get laid the summer they graduate from high school.
