NAME: WEST DUNCAN

Age: 27

Occupation: Publicist

What are you looking for in a love interest? Anyone who can keep up with me, is mentally stable...and anyone who has good hair.

What makes you a catch? Not only am I smart, successful, witty and fun, but I promise I'll never wear fleece when I'm not camping.

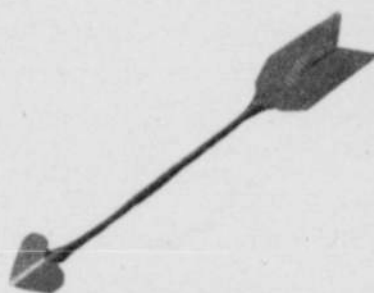

What's your ideal first date? Anything that's completely nuts and out of the ordinary. My favorite first date was when I was outside sitting down for a sunset in a beautiful locale and I sat right on a banana slug. That's what told me the date was special.

What did you learn from your last relationship? That women are fickle, fickle creatures! And that patience is a virtue.

What is the fastest way to your heart? Brains—I love sexy brains.
Bed? Food and a Southern accent—both are ideal.
Out your door? Someone who is inauthentic.

What is your new to your playlist? Drive By Truckers.

Mount Hood or Pioneer Place? Mount Hood.
E Room or Aura? Aura—no 'tude, no smoke.
Rose petals or restraints? Neither—Madlibs!
Cat or dog? Cat. My cat's name is Trouble, and it's tattooed on my heart.

NAME: SARA SAWICKI

Age: 33

Occupation: The queen of wings

What are you looking for in a love interest? I am looking for a woman who is spontaneous, funny, intelligent, a good cook and likes the outdoors.

What makes you a catch? I make a really good manicotti.

What's your ideal first date? A hike out in the Gorge to the waterfalls. Then maybe to come back and cook dinner.

What did you learn from your last relationship? I learned

what it's really like to be in love, and I learned also how hard that can be.

What is the fastest way to your heart? Someone who's just being themselves.

Bed? Someone who's a good cook, because food is a really good aphrodisiac.

Out your door? Smoking and playing mind games.

What is new to your playlist? Widespread Panic.

Mount Hood or Pioneer Place? Definitely Mount Hood.
E Room or Aura? Neither. I prefer a quiet evening at home to the club scene.
Rose petals or restraints? Both.
Cat or dog? I love all animals, and animals love me.
