

WE SELL & INSTALL MILGARD REPLACEMENT WINDOWS

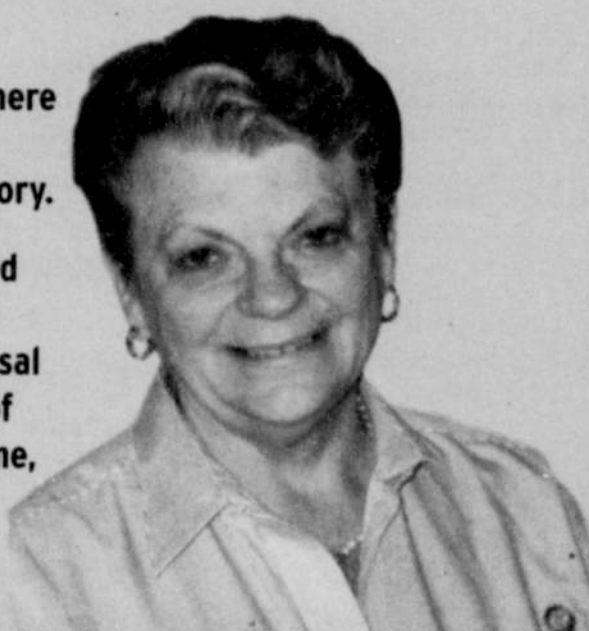

For over 27 years our family business has been selling and installing Milgard Replacement Windows in homes just like yours.

Milgard Windows are manufactured right here in Oregon for our weather with a lifetime warranty and service direct from the factory.

Even the best window needs to be installed properly by factory trained and insured installers. If you would like to get a proposal for changing out your windows from one of our owners or installers please call anytime, for an in-home visit.
