3pm and 8pm • Newmark Theater

Piano Men. Composers, singers, and pop star icons entertain us with outrageous costumes, arpeggios, candelabras, powdered wigs and haunting melodies. Now PGMC will bring to Portland, for one Saturday only, a program of music and dance inspired by these celebrated composers. Franz Schubert, Elton John, Pytor Tchaikovsky, Fats Waller, and Billy Joel are just a few of the Piano Men featured in this breathtaking choral *tour de force*. So whether you're a "Dancing Queen" in "The Copacabana" or you just feel the "Rhythm of Life" in Scott Joplin's "Real Slow Drag," don't miss this chance to celebrate the piano men with the Portland Gay Men's Chorus.

Tickets \$30, \$25 and \$20
