James Vasquez just wants three things for his 29th birthday: fame, fortune and love. Not a lot to ask, is it? This shy gay guy is far from achieving his dreams with a lackluster acting career, and hasn't dated anyone in over a year, but he has the help of his fiery best friends, PFLAG-inspired parents and the gorgeous, straight-looking coffee shop hunk (Mike Doyle from *Oz*). In the charming and witty *29th & Gay*, Carrie Preston's (star of *Straight-Jacket*) directorial debut poignantly delivers a wryly funny look at everyday life.

Funny NYC gay comedy about a Jewish writer who co-writes a screenplay with an Italian hunk. Co-stars Kerr Smith (*Dawson's Creek*) as a love interest.

"Hit and Runway is a smart and wonderful gay comedy."
