

Make Yourself at Home

Get A Commitment Before You Fall In Love

A home is one of the largest financial commitments that a person will make in their lifetime. My mission is to carefully guide clients through the entire home loan process, so they feel confident as they make choices from the many financing options available. Most people think about home financing only a few times during their life, I think about it every single day. It's my profession and my passion.

Most of my business is based on referrals, so my goal is to treat you right!

Here at US Funding Group, we have a full range of programs to meet your needs, not to mention great rates and service. Call or email me today. I'm here to help you!

Do you suffer from heavy, long-lasting, or frequent menstrual cycles that seriously impact your regular lifestyle?

If you're a woman 18 years or older, you may be eligible to participate in a nationwide research study, which will evaluate an investigational medication for the relief of heavy, long-lasting, or frequent menstruation that may be associated with your monthly cycle.

The number to call is 866-650-2864.

The medication used in this study contains similar ingredients as currently marketed birth control products.

If eligible for the study, you will be compensated for your time and travel. You will also receive study medication, study-related medical care by a physician, and monthly sanitary supplies, at no cost to you.

So if your heavy, long-lasting, or frequent menstruation seriously impacts your life, call 866-650-2864 now to learn more and to see if you qualify. Or go to our website for more information at www.womenshealthstudies.com.
