Peacemakers (pes'ma'kers)

persons, groups or nations that try to make peace

The Peacemakers, the final concert of the Portland Gay Men's Chorus 27th Season, will present the world premiere of *BraveSouls and Dreamers*, a bold and timely new work about the devastating realities of war, its consequences on families, and the ongoing pursuit of peace.

Artistic Director Bob Mensel describes *BraveSouls and Dreamers* as "compelling, the music rich, and the words - often - strident and provoking." The concert will be hosted by Governor Barbara Roberts and will also include compelling and memorable works previously written for PGMC. A portion of the ticket sales will be donated to Mercy Corps.
