FOSTER CARE

THERAPEUTIC FOSTER PARENTS FOR ADOLESCENT GIRLS

Help adolescent girls get a better start! We are looking for responsible adults with sound judgment to provide, safe, temporary homes for youth (ages 16-24) enrolled in our independent living/transitional programs. Youth Progress Association's Mariposa Program provides gender specific support and the opportunity for female youth to grow into productive young women by building self-confidence, encouraging empowerment, and emphasizing independent living skills. YPA is looking for individuals with the desire to teach life skills to adolescent females who can: successfully pass a criminal background check, understand the struggles of young women involved in the foster care system, available to provide supervision and living skills support on evenings and weekends, provide consistency, and provide respite care. Youth Progress Association provides training, on-call support, and tax-free reimbursement for foster/proctor parents.
