PROGRAM 2: FRANCE FEBRUARY 23 – MARCH 1, 2008

At the heart of the French program are two duets: Jerome Robbins' iconic, romantic encounter between dancers and audience, and Christopher Stowell's grand *pas de deux* in the style of 19th-Century Paris. Bookending those works is a pair of big, company-sized ballets, one inspired by the courts of Versailles, and the other a world-premiere interpretation of Ravel's fiery *Bolero* by the electrifying Nicolo Fonte.
