VIP MEDISPA

The first **SmartLipo™** provider in East Portland!

SmartLipo™ is the first and only laser liposuction system to offer a revolutionary and minimally invasive procedure for the removal of fat. **SmartLipo™** is done in the office without general anesthesia and let's you return to work in just 2 days. In addition to removing fat, the laser tightens and retracts skin over the treated area and may reduce the appearance of cellulite – something that traditional liposuction cannot do. And did we mention that it's significantly less expensive? Call for a complimentary consultation with our physician today!

SmartLipo™ is the first laser-assisted liposuction procedure, and was approved by the FDA in November 2008.
