

THANK YOU FOR 25 YEARS JUST OUT!

Congratulations to Marty Davis and the dedicated staff of Just Out!

To honor this 25th Anniversary, the following individuals, businesses, and organizations have generously contributed to the Just Out Scholarship Fund of the Equity Foundation - created to encourage students, including adults returning to school, who are lesbian, gay, bisexual or transgender (GLBT), or the children of GLBT parents, to pursue their education at the post-secondary level.
