"Prescription for Homicide: Gays, AZT and Mind Control," October 1988
Almost a decade before AIDS multidrug "cocktails" began prolonging lives for HIV-infected people, the toxic drug AZT reigned supreme. In its first decade of publishing, *Just Out* painstakingly chronicled the AIDS pandemic's progress. The 1988 scathing attack on the dangers of AZT ("The terrible facts of AIDS and AZT will certainly play a part in determining the future of us gay people," author Ian Young wrote) is a standout. Also of note: Some of Young's and *Just Out's* reporting would later be cited in Oregon Citizens Alliance co-founder Scott Lively's disgusting 1996 book, *The Annotated Pink Swastika*, which attempts to link the U.S. gay rights movement with Nazi Germany.
